The advertisement is not regarded as a public offer pursuant to the Public Offers of Securities Regulations 1995.

This offer is only open to persons who are interested in fair trade, support for which, through the establishment of the business of the Headington Fairtrade Co-operative Limited, will be the purpose for which the proceeds of the offer will be applied. The Management Committee believes that supporters of fair trade might reasonably be regarded as having an existing and common interest with each other and the purposes of the offer. The Management Committee accepts responsibility for the Offer Document without limitation of liability on the basis that they have taken all reasonable care to ensure that every statement whether of fact or opinion which it contains is true and not misleading in the form and context in which it is included. You should regard any subscription for shares of the Society as made primarily to assist the furtherance of its objectives (other than any purely financial objectives) and only secondarily, if at all, as an investment.
